MARICOPA COUNTY

LET THE RECORD REFLECT that the Court is advised that Mother is currently incarcerated in Pinal County.

Father and Grandmother are sworn and testify.

Based on the testimony presented,

IT IS ORDERED directing Father to contact the Process Server he used requesting that he file an Amended Affidavit of Service providing proof that the Order to Appear for today's proceedings was served upon Mother.

The Court makes the following tentative findings, but will not enter further orders until the Court determines that Mother was served.

THE COURT FINDS that it is in the best interest of the parties' minor child to award Father sole custody.

THE COURT FURTHER FINDS it appropriate affirming the suspension of Mother's parenting time until further order of the Court based upon the findings that parenting time would endanger seriously the child's physical, mental, moral or emotional health.

THE COURT FURTHER FINDS that if Mother is released from incarceration, she should be allowed to file the appropriate pleading to bring this matter before the Court to determine if supervised parenting time would be appropriate.

THE COURT FURTHER FINDS that Mother shall reimburse to Father the \$65.00 he paid for her TASC hair follicle drug test.

THE COURT FURTHER FINDS that Mother should pay to Father as and for current child support the sum of **\$277.00** per month, based upon the Court's calculations in open court.

THE COURT FURTHER FINDS that Father shall provide medical insurance for the benefit of the parties' minor children, and shall provide an insurance card and claim filing information/forms to the other parent. All medical, dental, vision and orthodontia expenses incurred for the health and protection of the children not covered by insurance shall be paid **83% by Father and 17% by Mother**.

IT IS ORDERED that pursuant to the agreement of the parties, Grandmother shall continue to have parenting time with the minor children to be mutually agreed upon between Father and Grandmother.
